No. of Participant	1 st Year D.Pharm, 1 st Year B.Pharm, Direct 2 nd Year B.Pharm, 1 st Year M.Pharm.
Venue	Ground Floor, Auditorium, D.Y.Patil College of Physiotherapy, Kolhapur.
Objectives	• To create awareness about bioethics, professional responsibility, and humanity in healthcare practice. • To sensitize students towards mental health and effective stress management. • To familiarize students with the University, its rules, regulations, functions, and academic framework. • To provide students with information about career opportunities as registered pharmacists abroad. • To create awareness among students and faculty regarding the new PCI B. Pharm syllabus (2026–27)
Description	D. Y. Patil College of Pharmacy, Kolhapur successfully conducted the third and concluding day of “DEEKSHARAMBH 2026” on 11 September 2026 for the newly admitted students of First Year D. Pharm, First Year B. Pharm, Direct Second Year B. Pharm, and First Year M. Pharm. The programme was organized at the Ground Floor Auditorium of D. Y. Patil College of Physiotherapy, Kolhapur. The third day consisted of informative and motivational sessions covering bioethics, mental health, university regulations, international career opportunities, and the implementation of the new PCI B. Pharm syllabus in alignment with NEP 2020. Dr. Anita Gune delivered an insightful lecture on “Bioethics in Medical Practice: Balancing Profession & Humanity.” The session highlighted the importance of ethical principles and human values in healthcare and medical practice. Students were sensitized to the importance of maintaining professional integrity, responsibility, empathy, and respect for patients, confidentiality, and ethical decision-making. The lecture emphasized that healthcare professionals should maintain a proper balance between professional responsibilities and humanity while delivering patient-centred care. Ms. Sneha Harshe conducted an informative session on “Stress Management.”

Description	The session focused on understanding the causes and effects of stress among students and provided guidance on managing academic and personal pressures effectively. Students were encouraged to adopt healthy habits, positive thinking, proper time management, relaxation techniques, and effective coping strategies. The session aimed to help students maintain mental well-being, emotional balance, academic performance, and a positive attitude throughout their educational journey. Dr. V. V. Bhosale, Registrar, addressed the students and explained the University, its functions, rules, regulations, and academic framework. The session familiarized students with important university-related procedures and responsibilities. Students were guided regarding the significance of following institutional and university rules, maintaining discipline, fulfilling academic requirements, and understanding their responsibilities as university students. Dr. Sundeep Kadasi delivered a lecture on “Career as Registered Pharmacist Abroad.” The session provided students with valuable information regarding international career opportunities for pharmacy graduates. The speaker discussed the importance of professional competence, appropriate qualifications, registration requirements, and career planning for pursuing pharmacy-related opportunities in foreign countries. The session encouraged students to explore global career opportunities and prepare themselves for professional practice at an international level. Dr. Ashok Thulluru delivered an informative lecture on “Preparedness of Students & Faculty for the New PCI B. Pharm Syllabus (2026–27) in Alignment with NEP 2020.” The session focused on the changes and expectations associated with the new B. Pharm curriculum and the need for students and faculty to adapt to evolving educational requirements. The speaker emphasized student-centric learning, competency development, skill enhancement, interdisciplinary learning, experiential learning, critical thinking, and outcome-based education in accordance with the principles of NEP 2020. The valedictory ceremony marked the successful completion of the three-day DEEKSHARAMBH 2026 programme. The valedictory address was delivered by Dr. Poonam Chougule, who congratulated the students for their active participation and encouraged them to make effective use of the academic and professional opportunities available at the institution. The programme concluded with an overall Vote of Thanks delivered by Dr. Sandip Badadhe. He expressed sincere gratitude to the management, dignitaries, resource persons, Principal, Registrar, faculty members, teaching and non-teaching staff, students, and parents for their valuable support and active participation in making DEEKSHARAMBH 2026 a successful and meaningful programme.
Conclusion	At the conclusion of the programme, all teaching and non-teaching staff members along with the students participated in a group photograph, marking the successful completion of the DEEKSHARAMBH 2026 programme.

Conclusion	The three-day DEEKSHARAMBH 2026 programme successfully provided newly admitted students with comprehensive orientation regarding the institution, academics, professional ethics, mental health, university regulations, research, career opportunities, skill development, and the new pharmacy curriculum.
