Title	Report on the Visit of Dr. Satyanarayana Chava, Founder & CEO, Laurus Labs, Hyderabad.
Name of Department	D. Y. Patil College of Pharmacy, Kolhapur.
Date	10 th July 2026
Name of Programme Coordinator	Dr. Rakesh Sharma, Dr. Shimpa Sharma.
Name of Faculty Coordinator	Dr. Abhinandan Patil
No. of Participant	150 Teaching & Non-Teaching staff, Students.
Venue	Auditorium Hall, D. Y. Patil College of Physiotherapy, Kolhapur.
Objectives	• To provide insights into the current trends, growth prospects, and future scope of the pharmaceutical and healthcare industries. • To bridge the gap between academic learning and industry expectations through expert guidance. • To encourage students to pursue higher education, research, entrepreneurship, and innovation in the healthcare sector.
Description	D.Y. Patil Education Society, Kolhapur had the distinct honour of welcoming Dr. Satyanarayana Chava, Founder & CEO of Laurus Labs, Hyderabad, during his visit to the campus. His visit served as an excellent opportunity for students, faculty, and university members to gain valuable insights into the evolving pharmaceutical and healthcare sectors. A special guest lecture was organized in the auditorium on the theme "Careers and Opportunities in the Indian Healthcare Sector." The session was attended by university authorities, teaching and non-teaching staff, pharmacy faculty members, and students. Dr. Chava shared his extensive industry experience and provided valuable guidance on career opportunities in the Indian healthcare and pharmaceutical industries. He emphasized the importance of innovation, research, skill development, and professionalism in building successful careers. Following the lecture, Dr. Chava interacted with the pharmacy faculty members and held detailed discussions on strengthening industry–academia collaboration. The interaction focused on student research projects, internship training, industrial visits, and future collaborative initiatives to enhance practical learning and employability. Dr. Chava also appreciated the dedicated efforts of the pharmacy students for their innovative project work and acknowledged the

	faculty members for their valuable contributions to research publications and academic excellence. He encouraged both students and staff to continue pursuing quality research, innovation, and lifelong learning to meet the growing demands of the healthcare sector. The programme concluded with a heartfelt Vote of Thanks delivered by Dr. Abhinandan Patil, who expressed sincere gratitude to Dr. Satyanarayana Chava for his inspiring lecture, valuable guidance, and encouragement.
Outcomes	• The programme strengthened industry–academia collaboration, promoting future opportunities for internships, industrial visits, research projects, and placements. • Participants gained comprehensive knowledge of career opportunities available in the Indian healthcare and pharmaceutical sectors. • Students developed a better understanding of industry requirements, emerging technologies, and future employment trends.
